Dear Parents,

We are excited to provide your children with a memorable, educational, and fun summer program! ***Growing, Learning, Loving*** is for students **entering grades 1–8** in the fall. Our academic studies are geared to expand your children’s vision of academics, with an **emphasis on STEAM activities** through Science experiments and *Scratch* computer programming. In addition to our core English and Math curriculum, we teach children how to grow, learn, and love in new and interesting ways, based on biblical principles. We share the lessons of the Bible and show how these apply to children’s daily lives. We offer Chinese dance/exercise, and art lessons to help develop each child’s gifts in the arts. In place of handbells/chimes this year, we are introducing an exciting **NEW Environmental program for ALL grades**. God calls us to be stewards of His World, so children will learn about recycling, sustainability, and what we need to do to take care of God’s world.

The **7th-8th grade “combo” class** will be participating in an Economics program learning about money and business management. They will be working with *Sphero* and learning how to program the robot. Throughout the program, we will be encouraging the 7th-8th grade class to be leaders as they collaboratively work on projects with different age groups. **Please complete a separate registration form for this combination class**, which has a limited space of 15.

TWO Sessions For Greater Flexibility!

For families who have a vacation planned during part of the summer, we continue to offer two sessions (see below). If you prefer to attend BOTH sessions, this year’s program runs from **Monday, June 17 to Friday, August 2, 2019**, each week day, **9 am to 5 pm**. **The one exception is Thursday, July 4th, when we will be closed for Independence Day**. Please enjoy this day with your children to celebrate our American freedoms!

Our program tuition fees are as follows:

	<u>Dates</u>	<u>Early Bird Reg. (Pay by 5/5/19)</u>	<u>Reg. (Pay after 5/5/19)</u>
Session 1:	June 17–July 10	\$545	\$590
Session 2:	July 10–August 2	\$545	\$590
BOTH Sessions:	June 17–August 2	\$845	\$890

Rebate available for families willing to volunteer! Ask for details.

We invite our families to join us for **Friendship Day** on **Sunday, July 21st**, as we celebrate our church’s 141st anniversary with Sunday morning worship service at 10:30 am, followed by a light lunch. The summer program will culminate in closing ceremonies on **Friday, August 2nd** at the church. We will have our talent show, great food, and later in the day, a carnival. ***So mark your calendar for those dates!***

Field trips will be on WEDNESDAYS. If you decline any of the field trips, **please keep your child home for that day**. All of our staff and volunteers join the Wednesday activities during the summer program, so there is **NO** class on field trip days.

NOTE: Any charges incurred by late pick-up or damages made by your child **MUST** be paid **the following day** otherwise **your child will not be able to attend the program**. However, last year, we had great success with parents picking up children on time, so I feel confident that we will not have to charge anyone for being late. Thank you in advance!

We look forward to having your children attend this year’s summer program. For more information, please visit our website at <http://oaklandcpc.pcusa.cc/ebayomsummer.html> or email us at: cpcsummerprogram@gmail.com
